Woodland Trails District Roundtable Notes

How many weeks do you have?

Have you ever thought about are you making an impact on a child? There are 936 weeks in a child's life from birth to age 18 and we potentially get them for just over 620 of those in the BSA. That ends up around 250 weeks for Cub Scouts and 370 weeks in Boy Scouts.

Are the kids in your Packs, Troops, Crews and Posts having fun learning? Are they learning each week that you have them? Does your group meet over the summer?

When we start to look at kids as opportunities and not problems we start to see how we can help them and how we can give them more opportunities to change.

Is your Pack seeing kids not come back or is it making sure the kids are advancing and not just advancing but having fun.

Is your Troop seeing kids drop

Dutch oven specials

Did you know that anything cooked in a kitchen can be cooked in a Dutch oven? Its all about the heat, where and when.

Cinnamon roll apple pie

2—tubes of cinnamon rolls

2—cans of apple pie filling

Flatten 1 tube of cinnamon rolls on the bottom of the Dutch oven to form a crust. Pour in the 2 cans of apple pie filling. Flatten the other tube of cinnamon rolls and place on top of the filling and bake for about 15 min. or until done.
